

Authorize the Amendment to Contract with Hawthorne for Lease of Bulldozers at Miramar Landfill

Natural Resources and Culture
Committee Meeting
June 16, 2010

- Current contract expires 7/14/10
- Requesting to Authorize Amendment to Contract with Hawthorne for Bulldozers
 - Extend for 8 months (7/15/10 – 3/14/11)
 - Options to renew for 3 additional one-year periods
- City reserves right to exercise options to renew with 60 days notice prior to expiration of contract
- City can terminate with 30 days notice when in the City's best interest

- Impacts if contract is not extended:
 - Hawthorne has to remove their bulldozers
 - Operations at the landfill would cease
 - Increased expenses and loss of revenue to the City
 - Would require permit variance at other landfills to accept increased waste
- Alternative:
 - Council approves vendor contract for month-to-month basis through rest of 2-year initial term
